Mobilizing business and professional men to take the Gospel to the marketplace

Be a Marketplace Ambassador

What defines a Marketplace Ambassador? A believer who RESOLVES to become an effective ambassador for Christ in the marketplace.

2 Corinthians 5:20 says: "We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God."

What Is the Marketplace Ambassador Advancement System?

The Marketplace Ambassador Advancement System is an interactive electronic platform that provides tools with a new level of functionality and accessibility. Small group evangelism training or the proven discipleship tool known as Operation Timothy are available on smartphones, tablets, or laptops.
